

Point Judith, RI Parking Procedures

Observers deploying out of Pt. Judith, RI must park in the dirt Pro-Park ferry lot located at the end of Galilee Escape Road at 2 State St. Narragansett, RI (big red signs). During the busier months (May-Sep) a parking pass is also required. **Parking there without a parking pass, during a month when they are required will result in your vehicle being towed at your own expense!** KNOW BEFORE YOU GO. At no point are you allowed to park at the docks, or any other lot than the dirt Pro-Park lot at the end of the Galilee Escape Road. Even if the captain or crew says that it is okay, it is not! **You WILL BE towed at your own expense!**

When required, the parking passes will be stored in the Point Judith shed. If you are taking a trip out of Point Judith you are required to stop by the shed, take one of these passes, and display it properly in your car window. You will **text the AC-line** immediately when you pick up the pass (**they are numbered 1-10**) and immediately when you drop off your pass so that we can keep track of them. We will be sure to remind you of this before you sail on your trips out of Point Judith. **Return the pass to the shed immediately upon landing**, even if you think you might have another trip the next day.

Required Texts:

Ex: Picked up parking pass #6 from PJ shed
Dropped off parking pass #6 at PJ shed

Point Judith Shed

SELF STORAGE CENTER	24/7 GATE ACCESS: 45# 16684*
